## Higher Education Module Leader in Ecology, Wildlife and Conservation

### Part time (7.5 hours every Wednesday), Permanent, Easton Campus

Do you have the desire to create Degree Level students from your knowledge expertise, on our beautiful rural Campus?

Here at Easton & Otley College we are currently recruiting a Higher Education Module Leader to be based at our Easton Campus to deliver high quality predominately theory based learning activities to our Ecology, Wildlife and Conservation learners.

The successful candidate will have vision and enthusiasm. This role needs to be filled by someone qualified to a minimum of degree level, although a post-graduate would be an advantage to enable dissertation supervision.

Each HE Module Leader is responsible, under the direction of the Programme Leader (PL), for the design, validation and delivery of predominantly theory based learning activities within their subject area, in accordance with their agreed timetable. These activities will include the full role of a course tutor and HE Module Leader that involves, but is not limited to: delivering tutorials, inductions, enrichment and support lecturing staff. HE Module Leaders will also carry out assessment and moderation activities within their Subject Area.

### Safeguarding Statement:

Easton & Otley College is committed to safeguarding and promoting the welfare of children, young people and vulnerable adults and expects all staff and volunteers to share this commitment. We particularly welcome applications from under represented groups including ethnicity, gender, transgender, age, disability, sexual orientation or religion.
