Easton & Otley College

## Work Based Learning Lecturer - Land Based Engineering Lecturer (Full training provided)

**Full time, Permanent, £22,000-£30,000 plus 7%skills recognition payment and other fantastic benefits.**

Are you an experienced Land based Engineering Technician? Would you like to help others enter and grow their career in the industry?

The apprenticeship department at Easton & Otley College would like to recruit a forward-thinking individual with a passion for Engineering and land-based learning and with current skills and knowledge in this area to teach and assess on the Land-based Service Engineering Apprenticeship course. You will be working in partnership with businesses across the East of England to train and develop the next generation of technicians.

This really is a fantastic opportunity for an individual looking to branch out into teaching or progress their teaching career within a professional and forward-thinking establishment.

To find out more about the fantastic benefits we offer to our employees or to apply for this vacancy please visit our website.

### Safeguarding Statement:

Easton & Otley College is committed to safeguarding and promoting the welfare of children, young people and vulnerable adults and expects all staff and volunteers to share this commitment. We particularly welcome applications from under represented groups including ethnicity, gender, transgender, age, disability, sexual orientation or religion.
