Cardiff High School

We are seeking to appoint a motivated, conscientious and flexible person with good communication skills to become a member of a hard working support team.

The post is based within the School Catering Team and the candidate will contribute to ensuring the delivery of a high quality level of service. Previous experience of working within a catering environment is desirable, but not essential and appropriate training will be given to the successful candidate. A willingness to work both independently and as part of a team is essential.

**Safeguarding Statement:**

We are committed to safeguarding and promoting the welfare of young children, young people and vulnerable adults and expect all staff and volunteers to share this commitment.
