Keyham Lodge & Millgate School Federation

Excellent OPPORTUNITY

Teacher Training Opportunity

To meet the ongoing needs across the federation with the development of teachers in Science, we have created an opportunity to train as a Science Teacher

Requirements:

- 3 years relevant experience in a school
- C grade GCSE in Maths and English
- Honors degree in science

The programme is expected to last for three years

Throughout this time period there will be an expectation that the candidate will be successful at every stage. If the trainee successfully completes the SCITT programme you will be awarded with QTS status, but not the Post Graduate certification (PGCE). You can apply independently to do this alongside the course or after completion.

Safeguarding Statement:

We are committed to safeguarding and promoting the welfare of children. Applicants will be required to undertake pre-employment checks, such as an Enhanced Disclosure and Barring Service (DBS) Check. Applicants who will be undertaking early and/or later years childcare (or the management of such childcare) will be required to complete a declaration that neither they, nor anyone who lives in the same household, is a disqualified person under the Childcare (Disqualification) Regulations 2009.
