Judgemeadow Community College

Judgemeadow Community College is a highly successful and popular 11-16 Community College, which proudly serves a diverse multi-ethnic, multicultural community. We are committed to creating a powerful culture based on our core principals:

- Being kind and helping others
- Respecting each other
- Being organised and disciplined
- Working hard

At Judgemeadow we believe that Teachers should be able to teach in classrooms where pupil behaviour is exemplary and in an environment where workload is manageable. For example, one of the ways the Leadership Team supports colleagues is by managing a centralised detention system so that teachers can focus on their job in the classroom.

- Have the highest aspirations for our pupils at Judgemeadow and insist on hard work from all
