Countesthorpe Leysland Community
College

Head of Department

IT & Computing

Required to start Autumn Term 2019

Full Time – Permanent

Age range 11-18 - Number on roll 1450

MPS/UPS + TLR 2b (£4,831)

We require a permanent Head of Department IT & Computing starting Autumn Term 2019

We are looking for a passionate, committed and motivated Head of Department who wants to make a difference to the life chances of the students in our college. As we move into a new chapter in our history, we are looking to appoint a manager who thrives on a challenge and who is willing to make a positive contribution to the IT & Computing department as well as to the wider college community.

We are committed to developing respectful, resilient and successful students and are looking to appoint a Head of Department who wants to help us achieve this. In return for this you can expect:-

- to work with a creative and committed team of staff
- to have the opportunity to impact positively upon the lives of our students
- be provided with a tailored CPD programme to allow you to be the best teacher you can be
- the opportunity to teach across three key stages
- to work in a friendly and supportive environment

It is an exciting time to join us! Following the recent merger to become an 11-18 college, we are in the process of having a brand new build to replace part of the site. We are also in the process of joining the LiFE MAT where we will be able to collaborate with and grow a learning community of like-minded professionals.

This role offers a fantastic opportunity for promotion to Head of Department IT & Computing.

CLOSING DATE for applications for this post is Friday 31st May 2019 3pm

This College is committed to Safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. The successful applicant will need to undertake a Disclosure and Barring Service check via the DBS.
