Cardiff LA

An exciting opportunity has arisen in the Disability Inclusion Team working with children and young people from birth to nineteen years old.

We are looking to appoint a Senior Transition Worker as part of the Education Service and with partners in many different agencies.

The role focuses on ensuring that the needs of learners with significant and/or complex medical and physical disabilities are supported to access their entitlement, have their needs met and are able to make good progress within the mainstream sector.

The role will include supervision of members of Disability and coordination of the Health and Education Support Worker Project.

This post is subject to Disclosure and Barring Service Enhanced checks.

Safeguarding and Child Protection are key priorities for the Council. We aim to support children and vulnerable adults to ensure they are as safe as they can possibly be. Our services and schools are committed to ensuring the safety and protection of all children and vulnerable adults, and will take action to safeguard their well-being, and acknowledge that children and vulnerable adults have a right to protection. This is supported in the general ethos of the Council and all schools.

This vacancy is suitable for post share.

We welcome applications in both English and Welsh. Applications received in Welsh will not be treated less favourably than English applications.

As a large public sector organisation, it is important to us that we support the economic wellbeing of our citizens and that our workforce better reflects the communities we serve. Therefore, although not a requirement for application, we welcome and encourage applications from under represented individuals:

aged under 25

not in employment, education or training

from our local communities including in particular those from the Cardiff BAME community

able to communicate fluently in Welsh

## **Safeguarding Statement:**

Cardiff LA is committed to safeguarding and promoting the welfare of children, young people and vulnerable adults and expects all staff and volunteers to share this commitment. We particularly welcome applications from under represented groups including ethnicity, gender, transgender, age, disability, sexual orientation or religion.
