We pride ourselves on our students, who behave well and are committed to their learning. Our sixth form students do work experience placements every week in the local community. Our curriculum includes an exclusive enrichment programme that develops their character and soft skills.

### What does Ofsted say about us?

In January 2017, the school was rated GOOD. The staff, students and the local community have united in working together exceptionally well. Ofsted have recognised the high-quality expectations and provision across the school. 'In the sixth form, value-added progress is well above, or at least in line with, the national average and students consistently attain the highest possible grades. The close links between the regular work experience that sixth-form students undertake, and their vocational courses are key contributors to their good achievement.'
