Newham College of Further Education

Ref: MC
Maths & Computing Lecturer
Hourly Paid agreement
Salary: £22 to £23 per hour
Closing Date: 23/04/2019

Teaching Maths and Computing to a range of learners age 14-18 students NEET from Level 1 up to GCSE, you will deploy a wide range of teaching and student-centred learning strategies that ensure most effective learning, continuation, achievement and progression of students, and use of teaching time and other resources.

You should hold a relevant final professional teaching qualification with experience in teaching GCSE and Functional Skills.

Initially we require the successful candidate for the remainder of the academic year, but if you impress we will aim to retain you in the post for the next full academic year.

Up to 20 hours teaching per week across Monday to Thursday

This is a fantastic opportunity for a self-motivator who has the ability to teach enthusiastically and professionally and can stimulate and promote effective learning among diverse and challenging learners.

If you would like to utilise your specialist skills, through a fresh learning approach we would love to hear from you.

This position is subject to DBS clearance. The College is committed to safeguarding and promotes the welfare of learners and expects all staff to share this commitment. The College is an equal opportunities employer.

Safeguarding Statement:

Newham College of Further Education is committed to safeguarding and promoting the welfare of children, young people and vulnerable adults and expects all staff and volunteers to share this commitment. We particularly welcome applications from under represented groups including ethnicity, gender, transgender, age, disability, sexual orientation or religion.
