Primary Teachers are required for a brand new international school opening in September 2019 in Basra, with their accredited private American sister schools already established in Dubai and Jordan, which has just celebrated its 6th year.

For the first year, you will be based at their new school in Iraq and in the second year, you will have the opportunity to relocate to Dubai or Jordan, to teach in one of their other schools, opening up opportunities for you not just within a new school but in other countries and other schools.

They are looking for passionate and highly skilled Primary teachers, who are looking to be a part of the opening of the doors of a school from the very beginning, taking it through its first year, starting with 250 students.

The school has a very modern 'tech-savvy' environment with all facilities, smart boards, smart screens and much more, with a fantastic SLT team, ready to fully support all new staff.

You will be living on a beautiful compound part of the school premises, so no more long commutes to work! There are restaurants, malls, cafes and much more on the compound or, if you would prefer to go a bit further on a weekend, the stunning Kuwait is just a 40 minute drive away where you will again, never be short of new restaurants and coffee shops. You can also enjoy a variety of movie theatres, amusement parks, beautiful islands and will even be surrounded by the comforts of your own home with Ikea, Marks and Spencer's, H&M and much more just around the corner. There are great travel links to other cities in the Middle East, which can easily be explored and enjoyed on your weekends off, if you wish to visit the other hot, sunny, vibrant destinations nearby.

You are of course supported with a fantastic relocation package which includes:

- Fully furnished, rent free shared accommodation, part of the school premises, maximum 10 minutes drive from the school, with transport provided
- Full cover Medical insurance
- Initial flights
- Flight allowance every year
- Tax free salary
- Life insurance
- Unlimited child places at the school

Requirements:

- Teaching Qualification / CELTA
- Bachelors Degree
- American core curriculum experience is preferred but not essential
