West Thames College

## West Thames

College is one of the most exciting and successful colleges of further and higher education in London and our vibrant campuses in Isleworth and Feltham have some of the best facilities in the country.

We have a reputation for giving excellent support to our diverse student population. Staff are well supported within a culture of continuous professional development and are encouraged to take on new and more senior roles within the college. Facilities across our campuses in Isleworth and Feltham are state-of-the art with good public transport links and free staff parking.

We are a values-based and highly inclusive college, serving a vibrant and diverse area, and making a positive contribution to wider social and economic agendas. We offer courses from pre-entry through to Higher Education, Apprenticeship and Traineeship programmes to meet the skills needs of our students aged 14 upwards.

## The purpose of the post

**is:** to teach Maths to 16-18 year old and 19+ students on vocational and free standing maths qualification students courses from Entry level up to level 3 including GCSE Maths and Functional Skills, mainly in the Core Skills Directorate.

Full details of the post can be found in the Job Description and Person Specification.

## Safeguarding Statement:

West Thames College is committed to safeguarding and promoting the welfare of children, young people and vulnerable adults and expects all staff and volunteers to share this commitment. We particularly welcome applications from under represented groups including ethnicity, gender, transgender, age, disability, sexual orientation or religion.
