Cardiff LA

Education & Lifelong Learning

Deputy Principal Educational Psychologist

Ref. ED50257474      Soulbury EP Scale B 4 – 7 (plus 3 SPA points)

£50,806 - £54,586

This is an excellent opportunity to work in the vibrant and diverse Capital City of Wales. Cardiff local authority encourages flexible working arrangements that are supported by IT facilities – laptop and smart phone, an induction programme, a range of CPD opportunities as well as individual and peer group supervision.

Cardiff Educational Psychology Service is a busy, skilled, friendly and supportive team that values individual strengths and interests. The team will welcome you and provide opportunities for interesting work with schools including Critical Incident Support, ELSA Training and the introduction and implementation of Local Authority Individual Development Plans across the authority.

As a Deputy Principal Educational Psychologist you will be joining a senior leadership team and take the lead in managing EPs and strategic work across the city. You will be involved in the exciting development of a relatively new traded service and will influence the services priorities and direction, particularly in light of the new Welsh curriculum and the Additional Learning Needs reforms.

You will work in partnership with other teams across the authority and contribute effectively to improving the educational outcomes for children and young people, particularly those with Additional Learning Needs (ALN).

Applications are welcomed from experienced EPs looking to join a dynamic and forward thinking traded service. Part time working is also available. Applicants must be professionally qualified and registered with the Health Care Professionals Council (HCPC).

We encourage electronic applications, for further information please log on to the Council jobs website.

This post is subject to Disclosure and Barring Service Enhanced checks.

Safeguarding and Child Protection are key priorities for the Council. We aim to support children and vulnerable adults to ensure they are as safe as they can possibly be. Our services and schools are committed to ensuring the safety and protection of all children and vulnerable adults, and will take action to safeguard their well-being, and acknowledge that children and vulnerable adults have a right to protection. This is supported in the general ethos of the Council and all schools.

This vacancy is suitable for post share.

We welcome applications in both English and Welsh. Applications received in Welsh will not be treated less favourably than English applications.

As a large public sector organisation, it is important to us that we support the economic wellbeing of our citizens and that our workforce better reflects the communities we serve. Therefore, although not a requirement for application, we welcome and encourage applications from under represented individuals:

aged under 25

not in employment, education or training

from our local communities including in particular those from the Cardiff BAME community

able to communicate fluently in Welsh
