

# Science Technician

School:	Cirencester Deer Park School	Posted:	17th October 2019
Location:	Cirencester, Gloucestershire	Expires:	4th November 2019 12:05 AM
Contract Term:	Temporary	Start Date:	As soon as possible
Contract Length:	Until Easter 2020	Job ID:	1071455
Salary:	Grade 4, Point Range 4-8	Job Reference:	ST
Hours:	Part Time		

Cirencester Deer Park School

We are seeking to appoint a **temporary part time Science Technician** to join our Science Faculty and existing team of Technicians as soon as possible, subject to the necessary employment checks.

The role is for 15 hours per week, term time only, to be worked across three days a week (preferably Mondays, Tuesdays and Fridays) working 5 hours a day, with a 30 minute unpaid lunch break. The exact hours will be discussed with the successful applicant, but they will be within the hours of 8.30am and 4.30pm. Due to the phased retirement of one of our existing Science Technicians, the role is initially temporary until Easter 2020. However, when they retire in April 2020, we expect to be able to advertise a permanent position with increased hours, and the successful applicant for this temporary post will be in a strong position to apply for this subsequent permanent position.

An ability to interact with pupils and staff is essential and general IT skills would be useful. Whilst experience working as a Science Technician or in a laboratory environment would be beneficial it is not essential, although a good knowledge of scientific principles in one or more of the areas of chemistry, biology or physics is desirable. Strong organisational skills and an ability to work on your own initiative is also important. The successful candidate will be expected to undertake relevant safety and/or skills training as required to fulfil the job requirements.

As a high performing comprehensive school in the South Cotswolds, Cirencester Deer Park is committed to providing outstanding education and developing our staff. Further information about our school can be found on our website and prospective candidates would be welcome to contact Allison Boucher, Head's PA to arrange a visit to the school. A letter to applicants, further information about the role of Science Technician and an application form are all available via the website.

Completed application forms should reach the school no later than 9am on Monday 4 November 2019. It is our intention to shortlist candidates for interview by the end of Monday 4 November and interviews are provisionally set to take place on Monday 11 November 2019. We are committed to the safeguarding of our pupils and employment is subject to an enhanced disclosure from the Disclosure and Barring Service and receipt of satisfactory references.

## Safeguarding Statement:

Cirencester Deer Park School is committed to safeguarding and promoting the welfare of children, young people and vulnerable adults and expects all staff and volunteers to share this commitment. We particularly welcome applications from under represented groups including ethnicity, gender, transgender, age, disability, sexual orientation or religion.
