Credwn y gall pawb yn lwyddo"

We are an oversubscribed 11-18 community comprehensive school in north Cardiff with nearly 1,600 pupils. A truly comprehensive school with outstanding outcomes, you would be joining an organisation that has improved from red to green Categorisation status in four years. This is an exciting opportunity for an enthusiastic, inspirational and outstanding individual to join our sector leading department. With a 10 form entry and thriving V11th form this role will help to continue to drive standards and through all the key stages. The faculty consists of 6 full time and 3 part time and also includes a WRU rugby hub officer.

Our sporting tradition and successes are unparalleled. In the last five years our rugby senior first team has participated in four out of the last five years. Recent former pupils include Welsh and British record holders and an Olympic gold medallist.

This role would suit an NQT looking for excellent mentoring and support or an experienced teacher looking to further develop their skills in a successful faculty. In a school and department of this size opportunities for promotion frequently occur.

This appointment requires an enhanced DBS check.

If you are interested in this post, then please return your completed application form to the school by 9.00 AM Monday, 25th November 2019.
