Head of School - New Oaks Primary

Oaklands is an outstanding special school serving the London Borough of Hounslow that provides specialist education to students with severe learning difficulties, profound and multiple difficulties and autism. From September 2018 we have a Primary school (New Oaks), Secondary school (High Oaks) and a specialist independent SEN College provision (Great Oaks). We can cater for students aged from 4 to 25 across the Oaklands group. Oaklands is at an exciting point in its development. Last year we relocated to our purpose built new school building (close to Osterley Tube Station and other public transport links) that offers state of the art facilities for our students. In time, the primary and secondary schools will be based on two sites with New Oaks Primary moving back to Woodlands Road once refurbishment is completed.

Due to our continued expansion, we are looking to appoint an experienced and enthusiastic Head of School for our Primary School. You will possess at least 2 years leadership experience within a special school and at least three years of teaching special needs students. The ideal candidate will lead and manage New Oaks, ensuring that the curriculum is designed and delivered to the highest standard. They will assist the Executive Head Teacher to plan strategically, and contribute to the efficient and effective use of staff and resources. During the expansion phase of the school, you will be required to teach at least two days a week.

We value our employees and offer excellent training and support as well as a pension scheme, employee assistance programme and other well-being benefits.
