West Herts College

Are you passionate about enhancing young people's careers? The School of Health, Education and Care are looking for a hardworking and ambitious teacher who will inspire our learners to achieve their full potential.

Due to the increase in opportunities for students across our campuses in Watford and Hemel within the school this exciting opportunity to develop a career in teaching has arisen, using your industry experience to help shape the professionals of the future you could be the candidate West Herts is looking for.

If you have relevant experience in the sector, then we want to hear from you. A teaching qualification would be advantageous; however, we would offer full teacher training to the successful candidate.

The School of Health, Education and Care at West Herts College is growing rapidly and offers various training opportunities, future development and course development chances for its staff.

We have high expectations for our learners, so the successful candidate will need to use innovative techniques and knowledge to support and encourage our learners on to their personal success.

This role is for a fixed term with an initial end date of 31 July 2020.

The closing date for applications is Friday 28 February 2020.

The successful candidate will join the School of Health, Education and Care, reporting to Gareth Styles.

WHC Group is positive about disabled people. If you need help applying for this role please contact the Human Resources team.
