Sutton Community Academy

Be part of something life changing.

For our students and for you.

At the Academy Transformation Trust, we believe that every child matters and deserves a first class education. Operating across the Midlands, the East of England and the South East, we make sure that students leave our academies with everything they need to reach their full potential; help us make learning central to every child's life. We will work inclusively within our communities, embracing the varied localities we serve while sharing our common vision and values.

Sutton Community Academy was graded 'Good' in all areas by a recent Ofsted inspection, we are passionate about Diversity and Inclusion and welcome all applicants. We are a place where people learn, grow, share, and discover their full potential. Operating at the heart of Academy Transformation Trust gives our people unrivalled scope for personal and professional development. We train our staff to bring out the best in each and every student, and place strong emphasis on good behaviour, so that nobody is held back or prevented from developing. The same applies to our staff: we invest heavily in personal development with staff wellbeing always a priority

We are seeking to engage a number of Exam Invigilators to work as part of a team during busy exam periods to ensure internal and external exams run smoothly. The successful candidates will support the Exams Officer and Senior Invigilators to ensure all exam procedures comply with regulations, including acting as a reader and scribe where required.

Experience is an advantage but not necessary as training will be given. Due to conflicts with exam dates, this post would be unsuitable for applicants undertaking the same type of work in other schools.

We are passionate about Diversity and Inclusion and welcome all applications. We are a Disability Confident Employer

ATT is committed to safeguarding and promoting the welfare of children and the successful applicant must undertake an enhanced criminal record check via the DBS and online searches will be carried out in line with KCSIE update 2022.

Safeguarding Statement:

The successful applicant will undertake an enhanced DBS criminal record check, and online searches will be carried out in line with KCSIE update 2023. We are committed to Diversity, Equality and Inclusion and welcome all applications. We are open to Flexible Working.
