Olchfa is looking for an inspiring and enthusiastic Teacher of Science to join our dedicated team of professionals at an outstanding school. This is an exciting opportunity to be part of a high achieving and forward-thinking learning area within a highly successful school.

Olchfa is part of the Innovation Schools Programme leading and shaping the design and development of the new curriculum in Wales to realise the vision outlined in Professor Donaldson's Successful Futures. We welcome applications from all levels of experience. The successful candidate could be completing their PGCE qualification or be a teacher with some experience. They will have excellent subject knowledge and a passion for teaching. They will also be committed to achieving excellence and be ready to support the school's vision.

At Olchfa, we actively encourage collaborative working and research to develop innovative teaching and learning practices, which enable all our pupils and 6th form students to achieve their full potential. Olchfa's success is reflected through our ambition, our team ethos and support for each other, to create a positive atmosphere for learning, and the achievement of our pupils, of which we are proud.

You will be offered excellent guidance, support and ongoing development whilst at Olchfa; all we ask in return is your commitment to achieving excellence, your ability to inspire others and a passion for your subject. Experience of teaching Physics at A Level would be advantageous.

Some of the benefits of working at Olchfa include: Free on-site parking; heavily subsidised use of our Calon Fitness Suite; Subsidised Private Health Care; and on-going CPD opportunities. We welcome visits from prospective applicants; if this is something you would like to do, please contact the school to make those arrangements. If you require any further information, please contact the school.
