Eteach are supporting a Secondary School in Surrey in their search for a Teacher of Science to join their team for January 2024 on a permanent basis - full time or part time.

The school have an exciting opportunity for a passionate, dedicated, motivated and innovative Teacher of Science to join their team. They are looking for an inspirational Teacher with the ability to create a nurturing learning environment, together with a commitment to bringing out the best in every student. The ability to teach to A Level is desirable but not essential.

You will be fully supported by the senior leadership team. The outstanding staff and students make the school a great place to work. When you join them, you will be supported and developed through extensive CPD programme and given effective PPA allocation to allow for a better work/life balance. Working within the school provides a wealth of opportunities to include excellent career progression options. Regardless of your experience or level of responsibility you will have a range of exciting opportunities to ensure you are improving your craft.

**Tours to the school are warmly welcomed.**

**Safeguarding Statement:**

Eteach People is committed to safeguarding and promoting the welfare of children, young people and vulnerable adults and expects all staff and volunteers to share this commitment. We particularly welcome applications from under represented groups including ethnicity, gender, transgender, age, disability, sexual orientation or religion.
