We hope that this is the job you have been waiting for - This is an opportunity for an experienced Headteacher or an ambitious senior leader to play a leading and dynamic role in the education of children at Busbridge Infant School.

Busbridge Infant School, a popular two form entry infant school based in the beautiful town of Godalming, Surrey. The school joined South Farnham Educational Trust in April 2022 - A growing Multi Academy Trust that consists of 10 ten schools, a Teaching School Hub and thriving SCITT.

The vision and purpose of the Trust is:

- To create a group of schools that have a shared commitment to ensuring the highest possible outcomes for their children.
- Through close co-operation children, parents and teachers will share professional expertise, training opportunities and facilities to ensure that the whole is greater than the part.
- To create a learning environment where the highest possible standards are a feature of all schools.
- To establish a shared understanding of what works and a reflective, research-based approach to school improvement.
- To celebrate and develop the uniqueness of each school within the MAT family of schools,

The school boasts wonderful outdoor spaces; a large field, children's play equipment, raised vegetable and flower beds, an amazing Woodland School area accessed through a locked gate with a safe pond, mud kitchen, bug hotel, and a log sitting space for story telling and camp fires. All classes have access to outdoor learning spaces so that children can explore activities both inside and outside the classroom to engage in learning.
