Are you a remarkable teacher who wants more?
Are you an inspirational and dynamic Science teacher ready to embrace the challenge of working in a high performing school? Are you passionate about enabling every child to reach their full potential and make exceptional progress? If so, keep reading.

Manor High School is an exceptional 11-16 school based in Oadby, Leicestershire, **top for GCSE progress in 2023 in Leicestershire**. With around 900 students we benefit from a culturally diverse population and a body of students who are well-motivated, with very high aspirations. We are currently looking for an experienced Teacher of Science with any specialism, at secondary age. We are looking for someone with strong interpersonal skills and supportive of others, in our highly successful Science Department.

Our school revolves around our four core values: Excellence, Inspiration, Resilience and Respect. These are reflected in all that we do and all that we are and our exceptional success has been achieved through the hard-work and dedication of our staff, and the continuous challenge of our students, whatever their individual starting point.

We expect a lot from our students and they expect a lot in return: Inspirational teaching, engaging lessons, expert classroom management and rigorous challenge for all. In return, you will find students who are eager to learn and who share our passion for education.

We are looking for a team player with a positive, can-do attitude who is passionate about their subject and excited to inspire others.
