Teacher of Science with Chemistry specialism

This is a permanent contract due to start in September 2025

Full-time or Part-time available

Salary: Sixth Form College Pay Spine Point 1-9 dependent on experience

We have a great opportunity for a highly motivated and enthusiastic Teacher of Science with Chemistry specialism to join our team. The successful candidate will be expected to develop and manage effective delivery of an outstanding Chemistry curriculum, to ensure all our students make excellent progress.

The successful candidate would need to be suitably qualified or experienced to teach A level Chemistry, with scope for full-time with GCSE Science and L3 Applied Science. A PGCE or other teaching qualification is essential.

You will have outstanding interpersonal and classroom management skills and be relentless in your commitment to the success of all those that you teach and will be a team player who thrives on working collaboratively with colleagues and is happy to go the extra mile.

If you are interested in applying for the above position, details about our College and further information can be found on our Richard Taunton Sixth Form college website.

Closing date for applications: 22nd April 2025

Interviews will be held on 1st May 2025

All successful candidates will be required to complete an enhanced DBS check

Safeguarding Statement:

Richard Taunton Sixth Form College is committed to safeguarding and promoting the welfare of children, young people and vulnerable adults and expects all staff and volunteers to share this commitment. We particularly welcome applications from under represented groups including ethnicity, gender, transgender, age, disability, sexual orientation or religion.
