Design & Technology Teacher (Resistant Materials) - Permanent Role

- Location: Woking
- Start Date: ASAP or September 2025
- Contract: Permanent | 4 or 5 days per week
- Key Stages: Up to KS4

We are seeking a passionate and skilled Design & Technology Teacher, with a specialism in Resistant Materials, to join our welcoming and forward-thinking secondary school in Woking. This is a permanent position, and we're open to applications from candidates who can start as soon as possible or from September 2025.

About the Role:

- Teach Resistant Materials across Key Stages 3 and 4
- Inspire and support students to develop creativity, technical knowledge, and hands-on practical skills
- Collaborate with a dynamic DT department and contribute to curriculum planning and enrichment
- Open to teaching 4 or 5 days per week - we're flexible to suit the right candidate

What We're Looking For:

- A qualified teacher with experience in Design & Technology, ideally specialising in Resistant Materials
- Strong classroom management and a passion for delivering engaging, practical lessons
- A commitment to high standards and student progress
- Ability to foster a positive learning environment and work well as part of a team

If you're ready to inspire the next generation of designers and makers, we'd love to hear from you.

Safeguarding Statement:

Eteach People is committed to safeguarding and promoting the welfare of children, young people and vulnerable adults and expects all staff and volunteers to share this commitment. We particularly welcome applications from under represented groups including ethnicity, gender, transgender, age, disability, sexual orientation or religion.
