			DTMAY25

An exciting opportunity has arisen for a dynamic and enthusiastic Design Technology Technician who is passionate about maintaining a supportive learning environment to create positive experiences for pupils. We are looking to recruit someone who is able to successfully contribute to the whole school ethos of Learn, Grow, Thrive and Flourish and to effectively support all staff within the school to develop excellence in learning, teaching and wellbeing.

We value all members of our school community and are relentless in instilling in our pupils a desire to be the very best of themselves. We have the highest expectations of our pupils and staff. We are very proud of our pupils and the supportive learning community we have created. While the school community is more than the fabric of its buildings we know as a school how managing and improving the school environment and facilities, including the school grounds can have a positive impact on learner attitudes.

The Governing Body at Pencoed are seeking to appoint a hardworking, reliable, enthusiastic and motivated Design Technology Technician. Under the guidance of senior staff, support teaching and learning primarily within the Design & Technology by providing a range of specialist support including the preparation of resources and maintenance of relevant equipment.

In September 2024, Pencoed Comprehensive School was inspected by Estyn, the inspection report highlights the fact that the school community fosters a profound sense of belonging, ensuring that both pupils and staff feel valued, and treated equitably.

A Criminal Records Bureau Disclosure Check at Enhanced level will be required for this post
