Overdale Junior School

Class Teachers required from 21st August 2025 and 6th October 2025

Fixed term, Full time, up to 12-month contract to cover maternity leave

Main Pay Scale (M1– M4) £31,650 to £38,034 per annum

OAK Trust has an exciting opportunity for two enthusiastic, highly motivated and inspiring Teachers to cover maternity leave.

The successful candidates will be conscientious and organised with a passion for working with and motivating children. We are looking for teachers who can inspire and empower pupils to take an active part in their own learning. Teamwork at Overdale Junior School is essential so we will be looking for candidates with excellent interpersonal skills.

At Overdale Junior School we support and develop our teachers through a supportive coaching programme, working alongside each other to develop best teaching and learning practices. We are forward thinking and implement latest research and technology.

Every pupil at Overdale Juniors uses an iPad to support them with their learning and to complete work. This is a part of our Frontiers 1:1 iPad programme. The successful candidate will need to embrace technology to enhance teaching and learning in their classroom. This is an exciting and revolutionary period for our school which we are very proud of.

The Trust is a local partnership of academies in south Leicestershire. The Trust was formally established in April 2018 and currently consists of one secondary school, two primary schools, one junior school, one infant and two pre-schools, with over 2,500 pupils and approximately 400 staff.

Our vision and values are at the heart of everything we as the OAK Trust do, this drives our commitment to the concept of a MAT as a family of schools working collaboratively with and supporting each other to ensure all our children realise their full potential as learners and as citizens, and that no child is left behind.

The Overdale Schools are vibrant, friendly, multicultural schools with a commitment to ensuring all children reach their full potential, both academically and socially.
