

Lecturer in BTEC Applied Science (Biology and Chemistry)

School:	Coleg y Cymoedd	Posted:	12th May 2025
Location:	Cardiff, Rhondda Cynon Taff	Expires:	1st June 2025 11:59 PM
Contract Type :	Permanent	Start Date:	As Soon As Possible
Salary:	£26,019 - £49,962.00	Job ID:	1484579
Hours:	Full Time		

About the Role:

As a Lecturer, you will be responsible for delivering engaging and effective instruction in Biology and Chemistry for the BTEC Level 3 Applied Science courses. You may also be required to teach additional subjects as agreed upon with your line manager. You will support learners to achieve successful outcomes and participate in retention and recruitment activities as appropriate. You would set high expectations for learners and contribute to an environment that encourages all learners to be aspirational.

Further Information:

Staff employed at Coleg y Cymoedd will have responsibility for the safeguarding and for the promoting the welfare of learner.

Undertake such other duties as may be reasonably required by the College, either at your principal place of work or other College premises, commensurate with the grade and responsibilities of the role.

It is recognised that duties and responsibilities of all posts may change from time to time and job descriptions may be amended in consultation with the post holder to reflect those changes which are commensurate with the role.

Application Guidance:

In line with the College's Recruitment Policy, we will use the Person Specification to shortlist candidates. You should evidence how you have met all the Essential Criteria and, where applicable the Desirable Criteria outlined in the Person Specification. You should supply written evidence on how you fulfil each of the Essential Criteria (and if met, Desirable). You should outline in your 'Further Information' section evidence of how you meet the criteria in the same order in which they appear on the Person Specification.

Please note, Coleg y Cymoedd reserves the right to close this vacancy early should sufficient application be received.

Contact:

If you have any questions about the role or for an informal conversation, please contact people @cymoedd.ac.uk

All applications should be returned by Midday on the date of closing. Any applications received after this time may not be considered.

We are seeking a detail-oriented and efficient Temporary Summer Data Entry Clerk. In this role, you will be responsible for accurately inputting and verifying data, organising files, and generating reports. You will also assist with quality control, and database management. Strong communication skills are essential as you will collaborate with team members to ensure data accuracy and completeness. The ideal candidate will maintain confidentiality, manage time effectively to meet deadlines, and provide administrative support as needed. This is a fantastic opportunity to gain valuable experience in a dynamic work environment.

Safeguarding Statement:

The College is committed to safeguarding and promoting the welfare of children and young people and expects its entire staff to share its commitment. The successful candidate will be required to undertake a Disclosure via the DBS along with a number of other pre-employment checks.
