The Mead Educational Trust (TMET) exists to improve the life chances of children and young people. At the heart of all we do is a commitment to provide our academies access to a world-class education, excellent school-to-school support and to provide our staff with an employer keen to provide high quality professional development.

Orchard Mead Academy is proud to serve a uniquely diverse community in the North Eastern outskirts of the City of Leicester, in it's larger than average 11-16 mixed comprehensive school which benefited from a £19m rebuild as part of the national Building Schools for the Future programme.

Orchard Mead Academy shares the ethos, vision and values of TMET which is for each and every member of the school community to Make a Positive Difference. The Academy is proud to have a broad, rich and ambitious curriculum, enabling each student to develop their voice, talents and abilities.

The staff, students and families at Orchard Mead Academy work together to support each learner, making sure they have every opportunity to achieve. Its hope is that by the time students graduate Year 11 they will be successful, confident and equipped with the skills to Make A Positive Difference to themselves, their families and the wider world.

This is a school where:

Maths is a subject that is valued by students and families.

The team is highly experienced and very cohesive.

The curriculum is rich, ambitious and well planned

Resources are centrally produced, saving on workload.

Smart workload efficient ways of feedback to students are in place.

Behaviour management is centralised and teachers are enabled to flourish.

The successful candidate will teach Maths through the age range 11-16.

Please see the attached Job Description and Person Specification for more information.

The successful candidate will be required to undertake an Enhanced DBS Disclosure check.
