Governors at St Julian's School are looking to appoint a dynamic and experienced Teacher of ICT to join our business & ICT department

We are seeking a qualified, innovative and creative teacher who can work effectively in our school to provide quality learning experiences and raise standards of attainment in the business & ICT department.

The successful applicant will be a specialist within ICT with an ability to teach computer science is preferred. They will have high expectations of learners to ensure they achieve their full educational potential.

Our business & ICT department offers a comprehensive curriculum across all three key stages.

This is an exciting opportunity to join our school which has high expectations and a determined focus on ensuring the best education for our students.

For further information please contact Nia Dale (Personal Assistant to the Headteacher)

The application form and further information on the post are available from Newport City Council website.

References

You are asked to give the names of two referees, one of which should be your current employer. We will contact the referees of short-listed candidates prior to the interview.

The successful applicant will be expected to undergo an enhanced disclosure check with the Disclosure and Barring Service prior to commencing employment.

Closing Date: Monday 2 June 2025

Interview: Monday 9 June 2025

Datganiad Diogelu:

St Julian's School is committed to safeguarding and promoting the welfare of children, young people and vulnerable adults and expects all staff and volunteers to share this commitment. We particularly welcome applications from under-represented groups including ethnicity, gender, transgender, age, disability, sexual orientation or religion.
