John O'Gaunt School

Following a really successful recruitment campaign over recent months for new invigilators, we are looking to further expand the team to support our students for the next academic year.

We are looking for exam invigilators to supervise student examinations, either with groups or individuals, to ensure examinations (both internal and formal exams) are conducted according to necessary guidelines.

About

This will be a casual contract, working term time only as required to cover examinations. Availability during the formal summer exam period (May/June) in particular, is required. Previous experience is not essential; support and training will be provided. There will be a requirement to complete statutory online safeguarding training.

The school is unique and special and we say that we are a place with 'big school ambition, small school care'. This means that we offer all the benefits and ambitions of larger schools, whilst offering the care and support that only a smaller community school like ours can. Our philosophy is secured on a bedrock of teamwork - evident across the whole school and the school truly has a family feel.

Additionally, we offer:

- Employee Assistance Programme
- Career development opportunities within school and across the Trust
- Strong Professional Development based on individual needs
- Cycle to Work Scheme
- Flexible Family Friendly Policies

We reserve the right to appoint before the deadline if appropriate so early applications are encouraged.
